Desenzano is rightly considered to be one of the jewels in the crown of Lake Garda. Hotel Palace the perfect place to ride from, relax and unwind after long travel.</p> <p>For those hiring bikes, we will be available to do a bike fit and make any adjustments that may be necessary. Fitting pedals, lights, saddles etc. is our job and not yours! In the late afternoon we will head off on our first ride along the western part of Lake Garda. Our destination is San Felice, a small fishing town which overlooks Sirmione. This beautiful ride is the perfect start to your trip.</p>	Dinner
<b>DAY 2</b>	<p><b>Lake Garda   Hotel Palace   Desenzano</b> Ride: 55km   Mostly flat</p> <p>After a peaceful night's sleep and leisurely breakfast, we today head over to Bardolino on the coast road. Along the way we will pass Sirmione, a place we will visit in the evening for ice cream and a stroll around the ancient town.</p> <p>The ride today, is largely flat and designed to take you through some of the most attractive parts of the easterly side of Lake Garda. Highlights include Peschiera and Cisano. We will be stopping on the way for a cappuccino and our staff will be only too happy to educate you on the ways of coffee drinking (Italian style!). We will</p>	Breakfast Dinner

	ride along the Mincio river and back to the hotel through a beautiful rolling landscape.	
<b>DAY 3</b>	<p><b>Lake Iseo   Hotel Araba Fenice   Pilzone</b> Ride: 70km   Flat</p> <p>This morning we take the short transfer from Desenzano to Lake Iseo, the home of Italy Bike Tours. A place so blessed in beauty and tranquility you will be sure to return. On arrival at Hotel Araba Fenice you will have time to unpack, maybe take a swim in the pool or even in the lake.</p> <p>Our ride today is the longest of the week, but in many ways the easiest. With little traffic, flat roads, and Europe’s best cycle paths, this really is what great cycling holidays are all about. We will delight in showing you why Lake Iseo is regarded as the best kept secret in Italy. Lovere, a town synonymous with the Giro d’Italia is our coffee stop for sure. Of all the northern Lakes it is Lake Iseo that offers the most for cyclists of all abilities.</p>	Breakfast Dinner
<b>DAY 4</b>	<p><b>Lake Iseo   Hotel Araba Fenice   Pilzone</b> Ride: 55km   Rolling</p> <p>Breakfast overlooking Lake Iseo and free time in the morning to explore the market in Iseo town center. A chance to observe Italian life, unspoilt by mass tourism and retaining a so much of what is good about life. A life so many of us crave in busy, over-scheduled, and hectic lives. Iseo is famous for the first statue of Garibaldi being erected near the turn of the 1900’s. It is also steeped in history related to WW1 and the Roman Empire.</p> <p>Today’s ride is stunning. We head south away from Iseo into the wine region of Franciacorta. It is difficult to imagine two contrasting areas to cycle (Lake Iseo and Franciacorta). Within 10 minutes we leave the shores of the lake and wind our way through endless vineyards, boasting some of the most famous names in Italian wine production. A visit to our favourite canteen at Barone Pizzini coupled with laughter at Barbar Santa Gulia makes this a day to remember.</p>	Breakfast Dinner
<b>DAY 5</b>	<p><b>Lake Como   Hotel Promessi Spos</b> Ride: 42km   Flat</p> <p>This morning we take the transfer to our destination of the week in Lake Como. On the way we will stop in Bergamo Città Alta. Those in the know will already understand that this is a must when visiting Lombardia. With plenty of free time to explore and enjoy a lunch, this is a chance to push the pause button mid holiday. Why not take the funicular to the castle overlooking Milan?</p>	Breakfast

	<p>On arrival at Hotel Promessi Sposi the bikes will be unloaded and our late afternoon ride heads north along the westerly shore of Lake Como. After a short climb out of Como, the road is largely flat towards our destination of Argegno. We thought we would stop for ice-cream along the way, but we will let you decide! Those looking for a little more challenge on the way home, can take a short climb towards the border of Switzerland. This evening you are free to explore Malgrate and its many restaurants, our staff will be happy to give you suggestions</p>	
<b>DAY 6</b>	<p><b>Lake Como   Hotel Promessi Sposi   Como</b> Ride: 45km   Rolling</p> <p>After the now customary excellent breakfast we transfer you and the bikes over to the east of Lake Como. Our destination and start point is Malgrate. A pretty town overlooking larger Lecco. From Malgrate we take the road hugging the shoreline to Bellagio. Bellagio needs no introduction and rest assured we have plenty of time in hand to explore one of the wealthiest areas in Italy.</p> <p>No trip to Lake Como is complete without boat journey, and today is no exception. We take the short trip across the Lake to Cadenabbia, phones at the ready for photo's! The journey back to Como along westerly shore will be familiar as we once again pass Argegno. Tonight we will enjoy a sumptuous dinner among friends to say goodbye and reminisce over our wonderful trip together.</p>	Breakfast Dinner
